

European 2010

Reunion of Past Students from
Capernwray Harbour & Capernwray
Quebec

You are Invited

Greetings past Students of CHBC and CQBC

We have been talking about having another reunion of past CHBC students for some time now because at previous gatherings we were mutually encouraged and refreshed in our walk with Christ.

In 2006 we met in Marburg, Germany at a wonderful facility where we enjoyed good food, comfortable accommodation and anchoring times in His word with personal sharing, music and prayer. Fellowship with past students has always been a highlight and privilege over the years.

What to Expect?

Our time in the Word (with Lawrence Jensen and Charlie Fordham from Capernwray Harbour) will be the primary focus, with good fellowship and personal testimony of His work in our lives, accompanied by times of singing and prayer. Of course we'll have to visit the local cafes for some good German coffee, and embark on some great walks and talks. This year we hope to not only meet past CHBC students and staff, but we would also like to extend an invitation to students and staff of Capernwray Quebec. We will be meeting during the Pentecost weekend
