**SPEAKERS: Jacques & Sharon Gabizon**

Born in Morocco as a Sephardic Jew and hailing from a long line of rabbinical ancestry, Jacques Gabizon came to faith in Christ in 1977 after searching out the writings of the Old Testament prophets as to who the Messiah is. Jacques is the Founding Director of Ariel Ministries Canada which facilitates the ongoing work of evangelism & discipleship to Jews and Gentiles. Jacques makes his home in Montreal, Quebec with his wife Sharon and leads Beth Ariel, a Messianic

Congregation made up of Jewish & Gentile believers.

**TOPIC: The Gospel of John**

John in Hebrew means God is gracious, and what a gift of grace this gospel is! Wonderful truths will be uncovered concerning the ways & character of God. John brings us to eternity past when the Word was with God, and the Word was God and became flesh: Jesus the Christ. Even at the very beginning, His essence, His love was made visible. This marvelous revelation progresses over time and through prophets such as Daniel that He comes down, but not for Himself (Dan. 9:26) but for everyone. He lived as we do, but perfectly so, and then dies a cruel death and resurrects for our salvation; a true love story from beginning to end.

**SPEAKER: Clayton Dougan**

Born & raised in Falkirk, Scotland, Clayton answered God's call into a full time, life long ministry of evangelism. He travels both within North America and overseas under the umbrella of Evangelism International sharing with passion & enthusiasm the 'Good News' of Christ's Resurrection Life. Clayton resides in Victoria, BC with his wife Isobel. They have two sons & numerous grandchildren. Clayton also serves on the Board of Directors for Torchbearers

Capernwray Canada.

**TOPIC: Life of David, God's Man (in the books of 1 & 2 Samuel)**

Described as "the man after God's own heart", David was also a man with highs and lows in his life. We easily identify with this biblical King but more is to be learned by focusing on God whose man David was. As Clayton leads us through the books of Samuel, we will discover what it means to encourage one another in who God is in all the times of life.

**SPEAKER: Chris Thomas**

Chris was born in Nottingham, England, but grew up at Capernwray Hall, meaning he was really born into the Torchbearers Ministry! He attended College at Columbia International University in South Carolina and was called by God through his dad (Ian Thomas, the founder of Torchbearers International) to direct Ravencrest and then subsequently to assume the position of International Director of Torchbearers. Chris is married to Bonnie

has three adult sons and blesses people all over the globe through his itinerant ministry.

**TOPIC: Joshua – Into the Unknown**

After plodding through the wilderness for 40 long years, the Children of Israel are now at last going to enter the promised land of opportunity and challenge! What has been "taught in the wilderness classroom" must now "be applied across the river" in the land of abundance: a real and new world but infested with idolatry, temptation & fear. Victory must be secured through faith in Him, their keeping God. Peace would be established by resting in Him. From their experience, we also must learn in our 'worlds of adventure'.

**SPEAKER: Matthew McLean**

Matthew first attended Bible School at Capernwray Harbour for 2 years and continued with God's call to serve with Torchbearers Canada. He was directed to Capernwray Quebec where he has been serving for over ten years in the roles of Resident Lecturer, Dean of Students, Bible School Principal and now Director. Matthew met his wife Jessica at Capernwray Harbour and each knew their call personally to serve in the ministry in Quebec, now with

5 energetic children. In earlier years, Matthew's trades included barbering and landscaping. He has since picked up carpentry while building his own house and enjoys sharing Christ's Life & Word in whatever context he finds himself.

**TOPIC: "Daniel – God's Man"**

As we study Daniel's life, we are forced to conclude that there is a strength and courage he drew upon daily that was not of himself but of God. From palaces to prisons, God's Life and Character are clearly seen in and through Daniel. This amazing ancient story reveals a modern context for us to see the same Life, strength and courage lived out through our experience - if we also choose to depend on Him.

**SPEAKER: Sue Gilmore**

We are thrilled to have Sue Gilmore join us to open the Word in a Holiday Bible Week. Sue brings her infectious love of the Lord Jesus and her British humour and charm to the week's teaching series. Sue serves at Capernwray Hall in England as Bible School Registrar as well as a lecturer and Women's Pastoral Adviser. When her busy schedule allows, she enjoys walking the Lake District Hills or by the sea in Morecambe, reading a

good book or taking in a film. Sharing Christ's Life over a pot of tea with friends or students is also one of her many joys.

**TOPIC: "Men & Women of God" - Genesis**

Genesis is not only the first Bible book but also a foundational one with many biblical truths being found throughout. We will see God, who was, is and will be through the lives of people such as Eve, Abraham & Jacob. In the amazing stories of Genesis, God is revealed as powerful, and good and seeks to communicate with us personally.

**SPEAKER: Richard Dahlstrom**

Richard Dahlstrom began serving as Senior Pastor at Bethany Community Church in Seattle WA in December of 1995. He is a frequent Bible Lecturer at many of the worldwide Torchbearer Centres. He is an avid seeker of Truth who is the Lord Jesus Christ and affectively communicates His Life with those he meets & serves. Richard also finds enjoyment in skiing, rock-climbing, writing, hiking, and reading. He is married

to Donna, his partner in life, public ministry and parenthood to three now grown children.

**TOPIC: Hebrews - Maturing in an Age of Arrested Development**

In an age where people are increasingly polarized and divided by economics, ethics, and politics, it's comforting to know that Christ remains as the single unifying reality in the universe! However more than being just comforted by this, we must learn to exemplify this truth by maturing our devotion to Christ. The hope found in Him, then, can be seen with greater clarity in our living: in the home, families, churches and public life. Hebrews offers concrete as well as practical steps we can take to move toward much needed maturity.
