English Proficiency Requirements

All students enrolled at Capernwray Harbour Bible Centre whose first or primary language is not English must demonstrate a solid grasp of both spoken and written English. This is to ensure a successful, positive and enriching experience for the student as all classes are taught in English.

Bible School applicants are not required to verify academic credentials related to English language proficiency, but are rather assessed by way of the written application process and subsequent follow up phone calls/conversations and communication with the Bible School Registrar prior to acceptance into the Bible School Programme. Based on these assessments, suitability for the programme will be determined and the applicant advised of their acceptance status.
